## "IT WAS RECOMMENDED TO ME BY MY DOCTOR"

#### The Reason Why So Many People Take Father John's Medicine

Mrs. C. H. Dunkel of 33 Linden street, Reading, Pa., was asked why she took Father John's Medicine for her cough, she replied, "It was recommend-ed by my doctor." The same question was asked and

a similar answer returned by the following: Mrs. A. E. Hixon, 30 Larkin street, Bangor, Me.; Henry F. Villet, 25 Crown street, Meriden, Conn.; Frank Poff, Hallam, Pa.; Miss Catherine Boyle, 45 Blackburn street, Fairhaven, Mass.; Charles L. Brown, Irving.

Ill., as well as a great many others. Physicians, hospitals and other institutions all over the world endorse the merits of Father John's Medicine because they know of its history and curative

It cures colds, coughs and throat and lung troubles in the natural way by driving the impurities out of the body and at the same time its pure food elements make flesh and strength for those who are weak and run down. Not a patent medicine, but a doctor's prescription, free from alcohol and poisonous drugs in any form. Get a bottle to-day.

#### RANDOLPH.

N. C. Buck, who attended the convention of the State Firemen's association in Burlington last Friday and Saturday, day, was honored by being elected president and B. A. Durkee of this place was ester. elected vice president.

## Constipated, and Don't

He Is an Affectionate Critter It seems odd, but it is true, that you and Dearly Loves His Master

YET HE GOT HIM IN TROUBLE

Just so with your bowels; they get full The Joyous Antics of the Playful Canine Brought About the Scene That Queered John With His Wife and Gave Color to Her Cruel Suspicion,

> One of the most touching things in nature is the affection of a dog for its master. Authors have wept over this before now. Indeed, in some cases canine affection would make a cube of billiard chalk weep.

> John Scott has an affectionate dog. It is a young dog, but joyful, and he keeps it in the cellar at night. The dog and the furnace are great friends, probably because contrasted natures agree well. The dog's nature is warm, and the furnace's nature is cold. But the pup simply adores John Scott.

One night John Scott left the banquet of the Petonic club at 1 o'clock in the morning when his wife had told Miss Lulu DuVaul has returned to her him positively to be home at 10:30. home in Boston after spending the sum-She had told him also to drink but one mer with Mrs. Emma Best Batchelder. cocktail. That was the only cocktail Friends in town have received the anhe drank, but in the bright lexicon of nouncement of the marriage of Miss Besbagquets there are other drinks. The sie Smith of Essex, Ont., to Frank Leavcare free yet dignified manner in which itt of Cleveland, O. Mr. and Mrs. Leav-John Scott wended his homeward way gave proof that he had studied the lex-Bainbridge Morse of Haverhill, Mass.,

recently visited his aunt, Mrs. Maria He was not intoxicated. He could Morse of High street. Mr. Morse also visited his cousin, Mrs. W. W. Ladd of still lift his feet as he walked, but when he had lifted a foot he waved it E. F. Leavitt recently purchased a 1913 in the nir a moment before he decided just where to set it down, and it did not always hit the exact spot he had Mrs. Martha Johnston of Berlin ia keeping house for Frank Rice while Mrs. selected. But his brain was clear as Rice is at Reaton hospital in Montpelier a bell. He remembered that he must put coal in the furnace before he went Miss Margaret Carroll of Montpelier to bed.

visited Miss Ethel Colby part of last When he opened the cellar door the pup was asleep on his bed in a box, The first and second degrees were con- but by the time John Scott had deferred upon four candidates Thursday scended the cellar stairs the pup and its affectionate nature were wide awake. The pup gave one little bark netted about \$20 from their chicken-pie of joy and rushed across the cellar like of us may be in possession, in some dinner and supper Thursday. a rubber shoe fired out of a cannon and stopped itself by making a flying tackle man, attempt to force either a child or Ayers streets. with its teeth on the hem of one of the legs of John Scott's dress trousers. John Scott swayed, put out a hand and putting two coal dusty paws on John Scott's shirt bosom, kissed him.

This evidence of canine affection was too much for John Scott. He comell, Mass., are the guests of Mr. and pared it with the reception he would probably receive from Mrs. Scott, and he was so affected that he hugged the Mrs. O. H. Smith of Marshfield visited pup to his bosom and wept. Then he Mrs. Wheeler Batchelder Thursday and placed the pup carefully on the cellat floor and stood up. The pup immedi Mrs. Frank Marsh of East Calais was ately got between his feet, threw him twice as he walked to the coal bin and, Mrs. E. D. Bartlett and son, Edward, when he bent down to pick up the coal scoop, grabbed the tail of his dress coat in a death grip. Mr. Scott divested himself of the

pup by taking off his coat and hanging it on a nall-the one the poker hangs on. All indications pointed to a The Marshfield Stars played baseball permanent suspension of the pup. The pup hung to the coattail, and the co The Plainfield boys won with a score of hung on the nail, and Mr. Scott turned to the coal bin. He raised the scoop Pleasant Valley Rebekan lodge, No. 42, ready to plunge it into the coal, but exemplified the Rebekah degree Friday evening. Mrs. Grace E. Richmond of Rutland, president of the Rebekah assembly, and Mr. and Mrs. Joseph Wolfe of Minneapolis, Minn., were guests of Intervals the pup would dash down and worry the heel of Mr. Scott's dress trousers, but whenever the scoop approached the coal the pup got in front of it. Sometimes Mr. Scott scooped up Royal Kinney of Boston is spending the pup, and sometimes he missed the pup, the coal and the bin, but whenever he got coal he got the pup too. If by chance he got coal in the scoop in without any pup the pup showed its Montpeller Saturday to visit Mrs. Rice, canine affection by jumping into the scoop. Then the coal and pup would

Miss Dorothy Bancroft is at work in slide off the scoop on to the floor. Not for worlds would John Scott Prof. Sturtevant spent Saturday and have shoveled the affectionate pup into Sunday at his home in Burlington. Mrs. Alvin M. Smith of Brownsfield, the furnace, but he saw that he was likely to do so any minute if he con-Me., is spending a few days with Mr. and tinued to fool with the scoop. There Mrs. Hosmer died at her home near the gravel pit Thursday night. The fu-neral services were held Saturday. was but one way to get the coal into the furnace without cremating the pup. So John Scott proceeded in that way. He sat on the coal and held the pup in in town Saturday to attend the funeral his lap and threw coal piece by piece at the furnace door.

And this was the only basis for Mrs. John Scott's unjust suspicion that John Scott had taken more than one cocktail at the Petonic club banquet. She ion, and R. W. Crowe is in the railroad came to the head of the cellar stairs to see what was bombarding the tin sides Reta and Lyman Bole from St. Johnsof the furnace, and she saw John Scott ury academy were at home over Sunsitting on the coal in his shirt sleeves

## **GETS-IT For Corns** Really a Wonder

New Way, Painless, Safe and Sure.

Quit That! GETS-IT Will 'Get' Any Corn."

The new kind of corn cure: the only sure kind; the only easy, safe, painless kind is here. It's what compestered people have been looking for ever since the age of shoes. Does it really do the work? Well, just one trial will prove it. The name of this big surprise is "GETS-IT," because it gets it. You don't have to wrap your toes in bandages. are no plasters, no salves. What is more, "GETS-IT" will never, absolutely can't, burt or make the true flesh sore, An entertainment given by the Sun- is refuseled,

evening, Oct. 16, at 7:30 o'clock. An excellent program has been prepared. AdSold in Barre by C. H. Kendrick & Co.,

A. W. ALLEN,

# )uaker RANGES

Quaker Ranges have removable nickel edges, large roomy ovens, extra large fire boxes. When used with a water front the fire box is larger than the original fire box. You know what that means? A choice of several grates is offered-all interchangeable WITH-OUT REMOVING THE LININGS, and an original flue construction, which insures an even heat on all sides of the oven.

The flawless castings have that velvety smoothness which easily takes a high, lustrous polish, and as only the best grades of pig iron are used, great strength and durability is assured.

## C. W. AVERILL & CO. Barre, Vt.

and throwing coal at the furnace with uet if he had an antipathy for it. his left hand, while the pup nestled inside his dress waistcoat and kissed his face. And she accused him of having taken more than one cocktail!

But a woman never knows how the affection of a canine affects a tender hearted Petonic club banqueter. The the heart of the strongest man.-Ellis Parker Butler in Judge's Library.

Don't Eat Things You Don't Like.

In the October Woman's Home Comof the United States Bureau of Chemistry, writes a valuable article entitled Intelligent Eating," an article full of practical suggestions. Following is an extract: people cannot eat potatoes.

'Some

others are made ill by strawberries, and others by this, that, or the other food which is perfectly wholesome product and palatable to most people. The way to cure an idiosyncrasy is not to hold it in contempt; it should be respected. It is a human attribute of which every one

weeping over the affection of the pup an adult to eat a wholesome food prod-"I should like to call attention, at this point, to the wisdom of the simple life.

First, let us have pure, wholesome, and

nutritious foods similar to those I have already suggested not deterioriated in any way, and free from any manipulation in the wa of added injurious substances in the way of added injurious substances love of a dog for its master will touch of simple food, avoiding complex dishes and multiplicity of courses, but securing a sufficient variety to minister to the legitimate wants of the palate. The frying-pan too often takes the place of the spit, and while some fried dishes may be tolerated, it is not a method of cooking that may be generally recompanion, Harvey W. Wiley, former chief mended. If this simplicity were combined with proper attention to the quantity of diet, frequency of eating and proper mastication, each would be kept in a condition best to enable him to perform the special func-tions in life to which be devotes himself. Too great hurry in eating not only makes digestion more difficult, but also robs the meal of its social opportunicies of conversation. The masticating of the food should receive special attention, especially all starchy substances."
